

The GVI Trust International Scholarship Programme

Preapproval for Organisations listed on [American Gap Association](#)

Scholars are free to choose any project and organisation that they would like to attend. The scholar will also be responsible for ensuring that the organisation and project that they have selected meets The GVI Trust's standards.

All organisations listed by the American Gap Association, which can be found [here](#), have fulfilled the requirements for Health and Safety, Predeparture, Projects and Legal. Scholars wishing to attend a project run by an organisation that is listed by American Gap Association will only have to submit information in the following categories:

1. Post Project Support

INSTRUCTIONS. Please follow carefully

- A. Download this form and email it to the organisation of your choice. You will need to explain what the scholarship you are applying for is and why this information is needed.
- B. Collect all relevant information and send it to your correspondent at The GVI Trust.
- C. All answers must be typed on a single word document clearly following the numbering listed below. Any accompanying documentation deemed necessary must be clearly labelled.

Questionnaire to be Completed by Organisations that are listed by *American Gap Association*

1. Post-Project Support

- a. Do you have an active and engaged alumni?
- b. Do you have a feedback and complaints process in place? How does this process work?
- c. Can participants request a personalised reference letter from their project leaders?
